

# Queen, March Of The Black Queen

Do you mean it, do you mean it, do you mean it?  
Why don't you mean it?  
Why do I follow you, and where do you go?

Ah ah ah...

You've never seen nothing like it  
No never in your life  
Like going up to heaven  
And then coming back alive  
Let me tell you all about it  
If the world will so allow it  
Ooh give me a little time to choose  
Water babies singing in a lily pool delight  
Blue powder monkeys praying in the dead of night

Here comes the Black Queen poking in the pile  
Fi fo the Black Queen marching single file  
Take this take that bring them down to size  
March to the Black Queen

Put them in the cellar with the naughty boys  
Little nigger sugar then a rub-a-dub-a-baby oil  
Black on black on every finger nail and toe  
We've only begun begun  
Make this make that keep making all that noise  
Ooh march to the Black Queen

Now I've got a belly full  
You can be my sugar baby  
You can be my honey chile

A voice from behind me reminds me  
Spread out your wings you are an angel  
Remember to deliver with the speed of light  
A little bit of love and joy

Everything you do bears a will  
And a why and a wherefore  
A little bit of love and joy

In each and every soul lies a man  
And very soon he'll deceive and discover  
But even to the end of his life  
He'll bring a little love

Ah ah ah...

I reign with my left hand I rule with my right  
I'm lord of all darkness I'm queen of the night  
I've got the power  
Now do the march of the Black Queen

My life is in your hands I'll fo and I'll fie  
I'll be what you make me I'll do what you like  
I'll be a bad boy I'll be your bad boy  
I'll do the march of the Black Queen

Ah ah ah...

Walking true to style she's vulgar abuse and vile  
Fi fo The Black Queen tattoos all her pies  
She boils and she bakes  
And she never dots her I's

La la la...

Forget your sing a-longs and your lullabies  
Surrender to the singing of the fireflies  
Dance to the devil in beat with the band  
To hell with all of you hand in hand  
But now it's time to be gone  
La la la la forever forever  
La la la...
