

# Queen, Need Your Loving Tonight

No I'll never, look back in anger,  
No I'll never, find me an answer,  
You promised me, you'd keep in touch  
I read your letter and it hurt me so much  
I said I'd never, never be angry with you.

I don't wanna feel like a stranger  
Cos I'd rather be in danger  
I read your letter so many times  
I got your meaning between the lines  
I said I'd never, never be angry with you

I must be strong so she won't know how much I miss her

I only hope as time goes on, I'll forget her  
My body's aching, can't sleep at night  
I'm too exhausted to start a fight  
And if I see her with another guy  
I'll eat my heart out 'cos I love her,  
love her, love her, love her

Come on baby, let's get together  
I'll love you baby, I'll love you forever  
I'm trying hard, to stay away  
What made you change, what did I say?  
Ooh I need your loving tonight
