

# Queen + Paul Rodgers, I Want To Break Free

"Paul": "Hello, Sheffield"

Oooh  
Ooh

I want to break free  
I want to break free  
I want to break free from your lies  
You're so self satisfied I don't need you  
I've got to break free  
God knows, God knows I've got to break free

I've fallen in love  
I've fallen in love for the first time  
This time I know it's for real  
I've fallen in love  
God knows, God knows I've fallen in love

It's strange but it's true  
I can't get over the way you love me like you do  
But I've got to be sure  
When I walk out the door  
Oh, how I want to be free  
Audience: Oh, how I want to break free  
Oh, how I want to break free

Life still goes on  
I can't get used to living without  
Living without, living without you by my side  
I don't want to live alone  
God knows, I've got to make it on my own  
So baby can't you see  
I've got to break free  
So baby can't you see  
God knows I want to  
Audience: God knows I want to  
God knows I want to  
I know that everybody's got to break free sometime

Yeah

Oooh  
Wow
