

Queen + Paul Rodgers, Wishing Well

""Paul"": "Well it's a message of love, love in a peaceful world, and here's a song called Wishing Well"
("Roger": "One, two, three, four") Alright

Take off your hat, kick off your shoes
I know you ain't going anywhere
Run round the town singing your blues
I know you ain't going anywhere

You've always been a good friend of mine
But you're always saying farewell
And the only time that you're satisfied
Is with your feet in the wishing well
Ooh

Wait
Throw down your gun, you might shoot yourself
Or is that what you're trying to do
Put up a fight you believe to be right
And someday the sun will shine through

You've always got you something to hide
Something you just can't tell
And the only time that you're satisfied
Is with your feet in the wishing well
Ooh

Oh, but I know what you're wishing for
Love in a peaceful world, I can't hear you now
Love in a peaceful world, tell me, tell me, tell me
Love in a peaceful world

Oh ma, ma, ma, ma, ma, ma, ma
Wow, oh, yeah
Ooh, look out baby

You've always been a good friend of mine
But you're always saying farewell
And the only time that you're satisfied
Is with your feet at the wishing well, yeah

Oh but I know
Everybody has a dream
Everybody has a wish
I wish you well
Dream on sweet dreamer
Way down deep in your wishing well
Oh

Wooh, wooh, yeah
Yeah, yeah, yeah, yeah, yeah
One, two
