

Queens, Magic Carillion

1. You, be my heart, in my dreams
In my crazy wildy night.
In your time,in your life
In your fantasy.
Ref: Carillon, don't play that melody
Carillon, I tear for you
Carillon, where is my fantasy?
Carillon, please love me too.

2. I. in your haze, anytime,
Anywhere I think of you.
Take my heart, in your hands,
In my fantasy.
