

Queens Of The Stone Age, I Appear Missing

Calling all Comas
Prisoner on the loose
Description
A spitting image of me
?Cept for a heart shaped hole
Where the hope runs out
Shock me awake
Tear me apart
Something
Hospital Gown
Prison sleep
Deeper down
The rabbit hole
To be found
Again

Where are you hiding my love?
Cast off like a stone
Feelings
Were all exposed
When I?m out of control
Pieces were stolen from me but
Dare I say give it away
Watching the water give in
As I go down the drain
I appear missing now
I go insane
No longer exist
One day
I hope
I?m someone you miss
Shock me awake
Tear me apart
Something
Hospital Gown
Deeper I sleep
Further down
The rabbit hole
To be found

It?s only falling in love because you hit the ground.
