

Queensberry, Stiletto Heels

Do you think
you know me well?
Well; you dont;
you just cant tell.
The girl you see,
you'd be surprised...
shes only half the story.
take a closer look, theres more to me than meets the eye.

Underneath the party dress
is a strength youve never guessed.
wonder will you realize...

CHORUS

What I am
Is Im a fighter
a battle cry inside er
in these stiletto heels.
and what I am
each day is burning brighter
Im powerful,
invincible...
thats how it feels
in these stiletto heels.

Evry day
Im sure I grow,
but its like
it doenst show.
the girl you see,
the one you want...
all she is, is pretty.
You dont have a clue how hard Ive worked, or how far Ive come.

Underneath the lipstick kiss,
is a pride youve always missed.
wonder when youll realize...

CHORUS

Dont call me beautiful
when Im incredible
give me my due
and Ill give to you
something deeper than this skin.

Treat me the way I deserve,
get past all the hair and curves,
and Ill introduce
someone new to you --
you will finly be with me! Ooooh!

CHORUS
