

Queensryche, Anytime, Anywhere

My point of view is expanding everyday
and I feel with clarity my vision sway.
Your private access takes me all the way.

(yeah!)

I am amplified by what's inside of you.
I feel your energy is something I can't lose.
I'm a pressure cooker, I'm about to blow.

I love the way that you move me,
It's never enough, I've got to have you,
anytime/anywhere that's all.

My sweet addiction I pray will never end.
Well-trained and suffering my heart for you
depends on love, like the flood,
when I go down.

I love the way that you move me,
It's never enough, I've got to have you,
anytime/anywhere that's all.

Anytime/anywhere
I've got to have you,
I've got to have you.
