

# Queensryche, Dis Con Nec Ted

I've got to do something  
about the loathsome  
state I'm in.

Disconnected  
Disconnected  
Disconnected

Everywhere I see decay.  
Mechanized and sterilized  
visions of replay.  
I must release my rage.

Oh...Disconnected  
I'm...Disconnected  
feeling so...Disconnected

Down.....

Maybe all I need  
beside my pills  
and the surgery  
is a new metaphor for reality.

I'm...Disconnected  
feeling so...Disconnected  
oh...Disconnected

- you know -
