

Queensryche, Jet City Woman

Every time I leave
You say you won't be there.
And you're always there.
Every time I cry your name at night,
you pull close and say it's alright.
I look in your eyes, just like the rain.
Washing me, rain wash over me.
Touching your face, I feel the heat
of your heartbeat echo in my head like a scream.
What you do to me!
Waited so long I can't wait another day without you.

Jet City Woman.
It's a long way, home to my
Jet City Woman.
I see her face everywhere, can't get her out of my mind.

Whenever I'm alone I'm thinking,
there's a part missing from my life.
Wonder where I'd be without your love
holding me together now I'm
watching the time tick, tick away.
Face grows longer every day.
Fortunes are lost on the women I've seen
but without you I can't breathe!
You're the air to me!
Waited so long, I'm all alone thinking about you.

Jet City Woman.
Got to find my way home to her.
Jet City Woman.
I see her face everywhere I look!
Jet City Woman.
Just a thousand miles and I'll be there
Jet City Woman, to make the clouds go away.
Time for some blue sky!

Waited so long now the plane's delayed
and hour, reminds me of all our days apart.
Hold on, just a little longer.

Jet City Woman.
Wonder where I'd be, you're the air to me.
Jet City Woman.
Eyes like the rain, rain down on me.
Jet City Woman.
No more nights alone I'm almost home now.
Jet City Woman.
Close my eyes, I'm there in my Jet City.
