

Queensryche, Spreading The Disease, Part 2

[...continued]

Religion and sex are powerplays
Manipulate the people for the money they pay
Selling skin, selling God
The numbers look the same on their credit cards
Politicians say no to drugs
While we pay for wars in South America

Fighting fire with empty words
While the banks get fat
And the poor stay poor
And the rich get rich
And the cops get paid
To look away
As the one percent rules America

Spreading the disease
Everybody needs
But no one wants to see
The way society
Keeps spreading the disease
