

# Quench, Think About It

Whatever is noble  
Whatever is true  
So compelling  
Perfect to you

Whatever you heard or learnt or receive  
It's time to practise what you believe

Think, just think about it  
Let it totally fill your mind  
Look ahead and not behind

Whatever is generous  
Whatever is sound  
Or just and good and honourable  
Or beauty bound

Honest and real  
Pure that you feel
