

Quicksand, Backward

It's all backward.
It's all bad word.
Said to me by you.
How you misunderstand.
All, wrapped up,
in yourself.
Fall, who will pick you up

Walking backward,
this is my mistake, my mistake.
This is my mistake, my mistake.

I'm sorry dear,
I wish I could,
read your mind.
It's my fault, how I misunderstand.
Now, don't go changing,
trying to please me.

It will never work.

Walking backward.
This is my mistake.
Always backward.
This is my mistake, my mistake.

I can,
feel this, next,
upcoming crisis will be our,
last one.
I swear.
I swear.

Walking backward.
Walking backward.
Walking backward.
This is my mistake.
