

# Quicksilver Messenger Service, Dino's Song

i dont ever wanna see you cryin'  
and i dont ever wanna see you blue  
ohh no  
all i ever wanted to do was know you  
and maybe hope you could know me too  
well i dont ever wanna make you sorry  
for anything you've ever said or done  
ohhh no  
all i ever wanted to do was love you  
and maybe hope you could love me too

and its all right baby  
im in love with you  
and its all riiight  
i would never make you blue  
or try to play with you

i dont ever wanna spoil your party babe  
or tell you where to go or what to do  
oh no  
all i ever wanted to do was know you  
and maybe hope you could know me too

and its all right baby  
im in love with youuu  
and its all right yea  
i would never make you blue  
or try to play with you

well i dont ever wanna spoil your party babe  
or tell you where to go or what to do  
OHH NO  
all i ever wanted to do was love you  
and maybe hope you could love me too
