

# Quicksilver Messenger Service, Its Been Too Long

I'll stay awhile, but I won't stay long  
I'll stay awhile, but I won't stay long  
No, I won't  
It's been too long since I've been next to my lover

I sure had fun, but now I'm thinking you're here  
'Cause I recall in the letter I read  
It's been too long since I've been next to my lover  
Hey hey hey hey hey

Evening driving wheel will come to rest some time  
Evening driving wheel, yeah, will come to rest some time  
It's been too long since I've been next to my lover  
Hey hey hey hey hey  
Whoa whoa whoa whoa whoa whoa yeah  
Hey hey hey hey hey  
Whoa whoa whoa whoa whoa whoa yeah

It's been too long since I've been next to my lover
