

Quicksilver Messenger Service, Joseph's Coat

Joseph's Coat (John Cipollina/Nick Gravenites)

Joseph's many coloured coat

left him lyin' in the moat

He lived his life

as prince and slave

and in the end forgave

You wanna feel like a man

then act like a man

You wanna be like a man

then act like one yeah

You live your life

by bein' fair

you'll find that

your strength lies there

for pigs and armies

will fight in vain

against a natural main

You wanna feel like a man

then act like a man

you wanna be like a man

then act like a man

The road of life

is dark and steep

sometimes it's like a

nightmare creepin'

If you don't give for what you take

you may never wake
