

Quiet Riot, Rise Or Fall

Take action
Gotta raise a fist in blood
Domination
Can't continue acting like jerks

You show me all there's a chance
With only words for defence
There is no freedom to speak, no

Rise or fall
Number one to take the stand
Rise or fall
Take a word from this promised land

Yeah

Your reaction
Sticks and stones are no match for steel
This rebellion
Revolution's in your hands

Now listen

So it's part Apache
Do you know what that means?
Is it a segregation?

Rise or fall
Number one to take the stand
Rise or fall
Take a word from this promised land

Strength in numbers can alter your place
Take the action before it's too late
Make a stand

Give it up

Rise or fall
Number one to take the stand
Rise or fall
Take a word from this promised land

Rise or fall
Number one to take the stand
Rise or fall
Take a word
Take a word from this land

Rise or fall
Rise or fall
