

# Quiet Riot, The Wild And The Young

Times are changing  
Nothing stays the same  
For this jukebox generation

Adhere to fashion  
Like computer games  
Modern day communication

The news hard to take  
Will fade tomorrow  
They are the strong  
They'll survive

The wild and the young  
They all have their dreams  
The wild and the young  
They've got to be free  
The sun never sets  
For souls on the run  
The wild and the young

Yeah  
Hah!

Roaring passion  
With no guilt or shame  
It's accepting education, yeah!

Misbehaving  
No regrets, no blame  
With a bold kind of sophistication

So close to the edge  
And high on the wire  
They are not wrong  
They're alive

The wild and the young  
They all have their dreams  
The wild and the young  
They've got to be free  
The sun never sets  
For souls on the run  
The wild and the young

Ha!

So close to the edge  
And high on the wire  
They are not wrong  
They're alive

Look out!

Wild, wild  
The wild and the  
Young, y-y-y-young

The wild and the young  
They all have their dreams  
The wild and the young  
They've got to be free  
The sun never sets  
For souls on the run

The wild and the young  
They all have their dreams  
The wild and the young  
They've got to be free  
The sun never sets  
For souls on the run  
The wild and the young

Oh yeah

The wild and the young  
Oh

Right
