

Quietdrive, Motivation

see you
right around the corner
i know you were getting closer
it dawned on me that you could be the one for me but
i'm sure you've heard it all of the time
i look just like the other guy next to me

lets go home together you'll say that
'its good for me'
'you're good for me'
but its all in my head when i wake in my bed i'll know

i've got no motivation
i get no stimulation
you could be in love with me we will see that
i've got no motivation
give me some motivation in this life

and i know you're not one of those girls
who takes her time
she'll come for me
i'm not gonna wait for eternity
for you to take your turn with me

baby its fine if you want to be mine
just call out my name don't wait in line
just take my hand, and break my heart tonight

i've got no motivation
i get no stimulation
you could be in love with me we will see that
i've got no motivation
give me some motivation in this life

take me home with you
i can't go alone take me home tonight
