

# Quimby, If You Pay, I Sing

if you pay, i sing

Jesus made a miracle  
Jesus made a miracle  
Jesus made my bottle walk  
My day has come,  
I've gotta go  
but I still have a song  
to show a song  
that makes your bottle go  
I've gotta fly when a banjo rings  
but my maker gave me hands not wings  
So I've gotta fly with drinks  
It's easier than you would think  
to sip the drink just sip the drink  
If you pay I try to sing anything  
I'll try to drink anything
