

Quimby, If You Pay, I Sing

if you pay, i sing

Jesus made a miracle
Jesus made a miracle
Jesus made my bottle walk
My day has come,
I've gotta go
but I still have a song
to show a song
that makes your bottle go
I've gotta fly when a banjo rings
but my maker gave me hands not wings
So I've gotta fly with drinks
It's easier than you would think
to sip the drink just sip the drink
If you pay I try to sing anything
I'll try to drink anything
