

# Quincy Punx, Darby Was A Martyr

A man so fucking punk  
he could not survive  
a man so fucking drunk  
he couldn't hold the mic  
lifestyle to extreme  
living on the edge  
life style so obscene  
no wonder that he's dead  
darby was a martyr  
he was the prince of punk  
he cut himself and bled  
shot up so much junk  
that now hes fucking dead  
speeding towards a dead end  
he fell down on the stage  
there was no way back again  
for the messiah of our age  
darby was a martyr
