

Quincy Punx, Fuck You (If You Can't Take A Joke)

you say were just a joke
well we are but you dont get it
you think your so progressive
but you know your talking bullshit
do you really think i want you to
when i say suck my cock
if you do then maybe you
shouldn't listen to punkrock
fuck you if you can't take
a joke! fuck you
i said i hate everyone
well thats not quite true
if you got no sense of humour
than i really do hate you
not because of what you are
or what you might believe
youre reading too much into it
can't see the forest for the
trees fuck you.
