

Quincy Punx, I Wanna Be A Dyke

I wish I could leave my dick at home and
put on a pair of tits, wish I had a nice
pink pussy with a throbbing clit, I wanna
reach beneath my skirt and stroke my
dripping cunt, I wanna put on black
fish nets and go out on the hunt!

I wanna be a dyke!!!

I wish I had a virgin pussy untouched by
a man, and a lucious leggy lover that
would be my plan, we'd lube our fingers
up real slick and slam each others slits
then we'd do the sixty-nine and lick
each others clits!

I wanna be a dyke!!!!
