

# Quincy Punx, Splatter Punk

Fuck you and your political scene  
Give me a Fangoria magazine  
Wann talk philosophy? Well maybe later  
I'm watching Bride Of Reanimator

[Chorus:]  
Violence, Gore, and Mutilation  
Dismemberment Decapitation

Blood & guts & gore & veins in my teeth  
They just call me a blood-sucking freak  
Chainsaws and drill bits dripping with gore  
That'd what I use my power tools for

[Repeat Chorus]

Hellraiser, Hellbound, and Evil Dead  
The Wizard of Gore and Color Me Blood Red  
Werewolves & vampires & toxic zombies  
And pyscho slashers who kill their mommies

[Repeat Chorus]
