

Quio, Mole

Blind like a mole,
i feel for your soul
I fall for the ones who cant waul
please let me hold you
i feel for your
i feel for your
i feel for your soul

REF

Blind like a mole, i feel for your soul to open, open, I fall for the ones who cant waul, please let me
you envelop me with your caressing heart,
you dope me up and your loveliness tears me apart, baby
we only wanted one half of each right from the start
and all that i want is your answer to all i that long for

REF

Blind like a mole, i feel for your soul to open, open, I fall for the ones who cant waul, please let me

Experiment
caressing heart, so lovely

REF

youre so lovely you tear me apart

your eyes belong to me, they are ony allowed to see me,
your body belongs to me, its only allowed to be held by me,
your will belongs to me, youre only allowed to want me
and all that i want is your answer to all i that long for
so fullfill all of them
so fullfill all of them, all of them
