

# Qwote ft. Trina, Don't Go

(Qwote)

Do you Trina take this man to be your lawfully wedded husband  
To have and to hold from this day forward  
For better or for worse  
For richer for poorer  
In sickness and in health  
To love and to cherish  
Form this day forward  
Until death do you part

(Trina)

Uh!

I guess I wasn't enough for you  
The things I done for you  
Call me I run to you  
Whenever you want me to  
What have I done to make you hurt me a time or two  
Probably more then a few  
My heart still beats for you  
Wonder what did I do  
Damn I should've knew  
But still didn't have a clue  
My life would be so blue  
Yeah I'm hurt it's true  
Not feeling me next to you  
Laughing at things you do  
Kissing and calling me boo  
Now it's hard to eat  
Damn I feel so weak  
And I can't get no sleep  
My eyes continue to leak  
Pouring out like the rain  
This hurts more then pain  
Apologizes with the pain  
I went against the brain  
Baby please don't go  
I need you more n more  
I'm breaking down on the floor  
One thing you should know  
Is that I got you  
No matter who tells you that  
The love we had was a waste  
Know that I need you back here

(Chorus)

Baby Don't go Don't go [x3]

Baby Don't walk away

Baby Don't go Don't go [x3]

Just stay with me

Cause if you leave baby baby you'll be breaking my heart

And if you leave baby baby I'll be torn apart

Don't walk away (Don't walk away)

Don't walk away (Don't walk away)

From me

(Trina)

Uh

So baby tell me that this ain't true

I open my heart to you

I changed the game for you

Gave up my friends for you

My life just ain't the same

Reaching n calling your name

Remember the things I do

Cooking and cleaning for you

Taking good care of you and

Making sweet love to you

Baby just close your eyes  
And picture my hips and thighs  
Laying right next to you  
I'm getting the best of you  
Tell me you need me back  
I promise I'm running right back  
How did it come to this  
Why did you run from this  
My loving you got to miss  
With you I was full of bliss  
Baby please don't go  
I just can't take no more  
I'm screaming and kicking  
Cause really I need to know  
Tell me she's not the one  
Tell me I'm number one  
And baby can you please tell me and you are still one  
Baby it's tough loving  
Cause you been rough on me  
I really miss the way you used to put that dick on me  
(Chorus)  
Baby Don't go Don't go [x3]  
Baby Don't walk away  
Baby Don't go Don't go [x3]  
Just stay with me  
Cause if you leave baby baby you'll be breaking my heart  
And if you leave baby baby I'll be torn apart  
Don't walk away (Don't walk away)  
Don't walk away (Don't walk away)  
From me  
(Quote)  
Can't you see  
What the hell you doing to me  
I'm soaking wet (In tears)  
Crying baby (over you)  
All on my knees  
I'm begging and pleading not to leave  
So say that you'll stay (say that you'll stay)  
Baby please stay (Pleaseeee Stay)  
(Chorus)  
Baby Don't go Don't go [x3]  
Baby Don't walk away  
Baby Don't go Don't go [x3]  
Just stay with me
