R.E.M., Radio Free Europe (Hib-Tone)

Beside yourself if radio's gonna stay. Reason: it could polish up the grey. Put that, put that, put that up your wall That this isn't country at all

Raving station, beside yourself

Keep me out of country in the word Deal the porch is leading us absurd. Push that, push that, push that to the hull That this isn't nothing at all.

Straight off the boat, where to go? Calling on in transit, calling on in transit Radio Free Europe, radio...

Beside defying media too fast Instead of pushing palaces to fall Put that, put that, put that before all That this isn't fortunate at all

Raving station, beside yourself Calling on in transit, calling on in transit Radio Free Europe, radio...

Decide yourself, calling all of the medias too fast

Keep me out of country in the word Disappoint is into us absurd

Straight off the boat, where to go? Calling on in transit, calling on in transit Radio Free Europe
