

R.E.O. Speedwagon, Sweet Time

When I awaken, feelin no pain
Visibly shaken, waitin to touch you again
My temperatures risin, but Im fallin a bit behind
And that aint so surprising, were gonna take our own sweet time

Chorus

Baby we can take our own sweet time
And spend it when we want to cus its yours and mine
Let our love come easy and we find
We can make it and well take our own sweet time
I know when I hold you, its a feelin I cant explain
But I never told you, I couldnt take it again
But now Im ready, I am ready to make you mine
So Im holdin steady, and were gonna take our own sweet time

Chorus
