

R.I.O., Komodo (Hard Nights) ft. U-Jean

Give me some hard nights on the floor
Show me how love fights, I can take it no more
And it's all because of you
And it's all because of you

Give me some hard nights on the floor
Show me how love fights, I can take it no more
And it's all because of you
And it's all because of you

It's all because of you
And it's all because of you
Give me some hard nights

DON'T TREAT ME LIKE A BITCH,
BITCH!

Give me some hard nights on the floor
Show me how love fights, I can take it no more
And it's all because of you
And it's all because of you

Because of you
Because of you
Because of you
And it's all because of you

DON'T TREAT ME LIKE A BITCH,
BITCH!

Give me some hard, hard nights
Hard, I can take it no more

Give me some hard nights on the floor
Show me how love fights, I can take it no more
And it's all because of you
And it's all because of you
