

# R. Kelly, Been Around The World

(feat. Ja Rule)

[CHORUS]

I been around the world  
And gets nuthin but love  
For who I am  
I thank my fans so much  
Even though some may hate  
Still I appreciate  
All my friends and family  
That kept it real with me

[R KELLY]

I been around the world and back like what up  
East side to west side tourin like what up  
And even though the price for the house was so much  
I still roll with them from the hood like what up  
Cuz when it comes to bein the realest im sho nuff  
Im a straight up industry villain fo sho nuff  
And I cant satisfy some a yall no matter what  
And some of ya'll cats are so jealous  
Said we livin in a cold cold world  
Aint nuttin but fake faces fake people fake friends  
Said we livin in a cold cold world  
Where there aint nuttin but envy wannabees playa-hatas  
Yea I know I need a hug but yall need a hug too  
Cuz god gunna judge me the same day he judge you  
And even though we have our struggles that's alright  
You know we get our folks and find a way to shine

[CHORUS]

I been around the world  
And gets nuthin but love  
For who I am  
I thank my fans so much  
Even though some may hate  
Still I appreciate  
All my friends and family  
That kept it real with me

[JA RULE]

Sometimes this world can be so cold  
When you looking through the windows of the soul  
I been looking to see the truth as it unfolds  
Cuz I been around this globe and back  
Enough to know the fact  
Who loves me  
And who loves me not  
We be shit's so hot  
You could put it in red tops  
And pump it through every hood, ghetto, and block  
Until they heart stops  
That's why they fiend for me  
And I thank you for every blessing that you givin me lord  
And im grateful for all my talent and my vocal accords  
And all these hatas I keep shakin em off  
Rubbin they face in fame  
Im sorry I changed the game  
But its mine and I cant complain  
Rule and R Kelly  
Been around the world  
Puttin it on women  
Bumpin n grindin these bitches  
But we always on time when a woman fed up

And that's love  
That's why they all fuck wit us

[CHORUS]

I been around the world  
And gets nuthin but love  
For who I am  
I thank my fans so much  
Even though some may hate  
Still I appreciate  
All my friends and family  
That kept it real with me

[R KELLY]

Said my lyrics is my testimony  
That's how I live  
I had to get rid of a lotta fake homies  
Over the years  
You see me on tv sometimes  
Not how it is  
Yall gotta start learnin how to separate me from showbiz  
When im rollin through your city  
Show me love  
And ladies when you see a boy  
Give me love  
And though im not conceited (right)  
Its jus my space sometimes I need it (right)  
Said I got so many friends in them area codes  
That I hand out them tickets when it comes to my shows  
Ja lets break bread together  
Pray together  
That we grow strong together  
Its clear forever  
Help each other through the stormy weather  
Lets hurt together  
Lets cry together  
And even if we grow together  
Then together we'll make it better

[CHORUS]

I been around the world  
And gets nuthin but love  
For who I am  
I thank my fans so much  
Even though some may hate  
Still I appreciate  
All my friends and family  
That kept it real with me

Said I been around the world  
And gets nuthin but love  
For who I am  
I thank my fans so much  
Even though some may hate  
Still I appreciate  
All my friends and family  
That kept it real with me
