Artist: R. Kelly

Album : TP-3 Reloaded

Song: Burn It Up

Lyrics:

[R Kelly - Intro]

Ohhhhhhhhhhhh ohhhh ohhhhhh ohhhhhhhh

Burn it up

Girl make it hot like the roof is on fire

Burn it up

Girl the way you dance you are my one desire

Come on

So hot you're one fire (come on!) [x7]

[R Kelly]

When you roll it

I can't control it

And when you throw it

It's hard to catch it

And when you shake it

I pray you don't break it

And when you drop it

Girl I cannot take it

Something about the way you move (hey!)

Sweat is dripping all over you (hey!)

The way you let the beat take over you (hey!)

Baby don't stop keep it going make it hot (hey)

The way you put your back in motion (mama)

Oh I love you the way you freakin' it (mama)

You got me comin' out of VIP (mama)

Cause you look like the girl in my dreams (mama)

I step up in the club first thing I see is you freakin' it

Your eyes and body language tells me you want me to hit it

Well I say girl

Back that thing up to me

Closer (ohhhh)

A little closer (work it)

Come on and shake it on me now (work it)

Come on and work it on me now (work it)

Girl it's getting heated now (work it)

It's time to put this club on fire now

[Chorus " R Kelly]

Burn it up

Girl make it hot like the roof is on fire

Burn it up

Girl the way you dance you are my one desire

Burn it up

Girl I don't care if the whole place burn down

Burn it up burn it up burn it up

[Chorus " Yandel]

Heyyyy

Calor, sudor

Bailando reggaeton

Calor, sudor

Sige bailando y no pares

Calor sudor

Bailando reggaeton

Calor sudor

Pide mas quere mas pegate y dale

[Wisin]

Siente mi fuego muchacha

Dale waracha

Temble que temble que pa que tiemble la cacha

Crystal y Don Perinon y se emborachan

Me encanta su facha

Le tiro y no se agacha

Rope el suelo, marshmellow
