

R. Kelly, Bump N' Grind

My mind is telling me no but my body my body's telling me yes
I (baby) don't want to hurt nobody
But there is something that I must confess..... (chill)

[Chorus: repeat 4x]

I don't see nothing wrong with a little bump and grind
I don't see nothing wrong with a little bump and grind

See I know just what you want and I know just what you need girl
So baby bring your body to me (bring your body here)
I'm not fooling around with you baby
My love is true (with you) with you is where I want to be, girl see
you need someone someone like me to satisfy your every needs

[Chorus 4x]

You say he's not treating you right
Then lady spend the night now
I'll love you like you need to be love (girl why don't you try some of me)
No need to look no more because I've opened up my door
You'll never feel another love you see
you need someone, someone like me girl to make love to you baby constantly

[Chorus 4x]
