

Baby I'm sorry
Can't you find a way to somehow forgive me?
I never meant to hurt you

Chorus:
I can't sleep, I can't think
I can't eat, I'm so weak
And I won't breathe again
Breathe again, breathe again

Chorus:
I can't sleep, I can't think
I can't eat, I'm so weak
And I can't breathe again
Breathe again, breathe again

Now I'm the guy you read about
In those freaky magazines
Sometimes I can't believe my ears
And what they say about me
Who gives a fuck bout what they think
Is what my Gramma used to say
You just keep on doing your own thing boy
And sing your praises right their way

La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la
You'll breathe again
Breathe again, breathe again, breathe again
You'll breathe again
Breathe again, breathe again, breathe again
You'll breathe again
Breathe again, breathe again, breathe again
You'll breathe, you'll sleep, You'll think
