R. Kelly, I Can't Sleep Baby (Remix)

Baby I'm sorry Can't you find a way to somehow forgive me? I never meant to hurt you

1st verse Somebody take my head off Because I never meant to hurt you babe I know I don't deserve another chance But I had to say it anyway

Chorus:

I can't sleep, I can't think I can't eat, I'm so weak And I won't breathe again Breathe again, breathe again

2nd Verse

It was such a silly move I made I'm the only one who truly loves me Took advantage of the love you gave I turn around the truth, now look at me

Chorus:

I can't sleep, I can't think I can't eat, I'm so weak And I can't breathe again Breathe again, breathe again

3rd verse

Now I'm the guy you read about
In those freaky magazines
Sometimes I can't believe my ears
And what they say about me
Who gives a fuck bout what they think
Is what my Gramma used to say
You just keep on doing your own thing boy
And sing your praises right their way

Chorus 2:

And you'll sleep, And you'll think And you'll eat, Won't be weak And you will breathe again Breathe again, breath again
