## R. Kelly, My Story (feat. 2 Chainz)

This is my story
Yeah, I?m from that Chi-town dirt
I went from being broke to sleeping in Versace shirts
This is my story
Money, cars, bad hoes
This is my story
And I?m sticking to it /7x

Came from humble beginnings
Now I?m cocky with my spending
They say: ?life is just a game?
And I thank God that I?m winning
Models roll my indo
I beat the pussy, Django
Them niggas talking money
I got more digits in my GEICO
She make a pole disappear like hokus pokus
You?re ain?t never gon? find another nigga this focus
I got every block, every street corners sold up
Whatever club represent my city, throwed up
I own the game, coach slash player shown up
Okay, haters throw fitted never showed up

This is my story
Yeah, I?m from that Chi-town dirt
I went from being broke to sleeping in Versace shirts
This is my story
Money, cars, bad hoes
This is my story
And I?m sticking to it /7x
