

R. Kelly, Mystery Man

They think that u are crazy
But I like u like that!
You know that I'm lazy
and my stomach's gettin' fat
Oh Mystery man!
Don't chew me in your horn!
Mystery man!
My baby's getting born!
Oh Mystery man,
I like u like that!

They takin' all ya money

'Cause they thinking that its funny
They like to take their chances
'Cause they thinkin' that u nothin'
Oh Mystery man,
don loose your cool
Mystery man
You aint no fool!
Oh Mystery Man,
I like you like dat!
