[Verse]

I'm going toot, toot, beep, beep, pulling up on them wheels now  
All black on black body got it shining much like a seal now  
Got them cars in my garage no less than a mill now  
Kells about to take the bar and set it real high  
Double take Double take when I roll up to the club  
Playas they plays us when I walk up in the club  
I got them shades doing about 75  
Just call it speed racer cause I'm rolling in that marc 5  
Yall niggas aint fucking with me and I put a mill on it  
Niggas and Bitches they lie but home boy them stacks don't  
&B Boss hustling like Rick Ross  
Man my flow is so raw niggas don't piss me off  
I'm a playa homie and that's a well known factor  
Plus the wheels on the coupe got lookin like a tractor  
Take my ice hold it up  
Then my city toss it up  
Chi-town summer time kells got traffic backed up

[Hook]

[Verse 2]

Yellow ice cash money I got cash money  
Just to hear them horses go vroom I spent that cash money  
As for the hatas they as funny  
My money like a road block so watch how you roll you fucking crash dummy  
I rolling in, I rolling and bounce, I roll and stop  
I roll slow motion and I let the beat drop  
Honies love it when I roll up on them wheels  
Top down clowning on the wheels  
I got them 24s on the coupe you know they chop and spin  
I put a S on my Maybox cause thats my super benz  
I own the night light shining when I roll through  
Hop out that Zaradie 101 call it smurf blue  
Silver bullet lex Jeep parked out at my beach home  
Think I'm from a swamp the way I step out with them gators on  
On the hood in that old school I be smoking trees on it
