Do she got a crib (YEP)
By the waffle house(YEP)
Did she show you that thing that she be doing with her mouth(MAN)
She know to cock them legs back
The greatest sex in your life (YEP)
Yeah i know cuz she's my wife
(WAIT A MINUTE HOLD ON DOG)
N**ga aint no "hold on" & "back up"
Y'all n**gas gon make me act up
I'm out here busting my ass for her
Y'all i done turned her back up
And you just can't tell me that you didn't see that ring on her finger
Im even tryna help her be a singer
That's why she was at that party in Atlanta, When i told her ass not to go out to Chicago
While i'm out here doing my thing in Tallahassay
Y'all out here treating my wife like a straight hoe
I can't believe this Bitch
I can't believe this Shit
Everything i ever did for her i'm taking it back, i'm so thru with it
Yeah Yeah Yeeeahh Yeah
I took time out of my life to have these n**gas f**k my wife and they call her...
