

# R. Kelly, Sex Me

Yeah 1993, check this freaky style I was born with

I feel so freaky tonight

And I need someone to make me feel alright

So bring your body here baby

Lady have no fear

I'm gonna fulfil your fantasies

Just as long as you

Sex me baby, baby

Come on, come on, come on, come on

(Chorus)

Sex me baby, baby sex me x2

Yeah, one play, first chapter

Come over here and let me take off your clothes

Things I wanna do to you, nobody has to know, know baby

Just lay your body right here

Lady have no fear, 'cos ecstasy is near

Any unexpected positions, bring it on

Any secret fantasies, I'll fulfil as long as you sex me

(Chorus)

Now that I've given you one play, are you ready for the second verse

Now let me feel your body next to mine

'Cos girl I wanna see you sweat

Ooh, you're so very wet

Now put me inside of you, do what you wanna do

'Cos you got a need for me, and I got a need for you

Any unexpected positions, bring it on

Any secret fantasies, you see I'll fulfil as long as you sex me

(Chorus)

Let me kiss you in the right place

So I can see sex me baby written on your face

Slow baby, slow baby, steady as we go

Up and down to a sixty nine tempo

Yeah, now throw your body parts on mine

And let me hear you make the ooh-ah sound

'Cos I'm your lover man

So call your other man and say

You've found another man

(Chorus) x3
