

# R. Kelly, Sweet Tooth

This is for them big girls, smalls girls, tall girls  
And this is for them skinny girls, white girls, black girls  
Don't matta the color or the nationality  
I got a sweet tooth come and get with me.

When I saw you at the club girl leanin and rocking with it  
Ooo you made a nigga wanna giggle wit it.  
Let me put in the back of the coupe and hit it.  
And now all I wanna do is babysit it  
I've been feenin wanna kiss it  
Hungry girl let me raid yo kitchen  
Fix me a plate of that...  
I'm not playin girl i'm on a mission  
Legs won't stop shaking once i do it (ah ah)  
Tongue game tight girl let me do it (uh huh)  
Tease you then please you girl  
Open up let me in your world

Girl I wanna be alone with you  
I'm trying to see what that booty do  
Baby first let me know what you gonna do about this sweet tooth

[Chorus:]  
Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
Your looking like a big whole piece of cake  
I'm all up in your middle  
oooh it taste like skittles

I'm just keeping it real with you  
Girl I got a sweet tooth

Now I got you on my bed  
Clothes off  
Lying next to me  
Girl I'm bout to give myself a cavity  
Plus I'm gonna need bandaids for my knees  
Gril set the table and let me feast  
Strawberry shortcake wit whipped cream  
I can taste it  
My mouth is watering for you  
Come here girl let me show you  
Hop in the range  
Slide thru  
All up in yo crib  
Toss you  
When its over  
I want more of you  
So open up  
Let me spoil you

Girl I wanna be alone with you  
I'm trying to see what that booty do  
Baby first let me know what you gonna do about this sweet tooth

[Chorus:]  
Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
Your looking like a big whole piece of cake  
I'm all up in your middle  
oooh it taste like skittles

[Bridge:]  
I don't want no dinner babe  
I'm going straight for dessert  
You don't need no panties babe  
Girl up under that t-shirt

Look it taste so good to me  
And, I can't get enoughh  
See, doc say stay away from sweets, fuck it  
I'm gonna get my sugar up

[Chorus: repeat until the end]  
Got a sweet tooth for you girl  
Baby I'm tempted to taste  
I can't wait to drink your milk  
Your looking like big whole piece of cake  
I'm all up in your middle  
oooh it taste like skittles

I'm just keeping it real with you  
Girl I got a sweet tooth  
[repeat until the end]
