

R. Kelly, Trapped In The Closet Ch5

And now I'm like, "Well, well, well,

What the f**k is this?

A condom in my bed

You better start talkin' bitch

Before I take a match and burn this mother f**ker down";

I said, "You better start talkin, and start talkin, right god damn now";

Then she said, "Baby, I'm so speechless"; then i said "my baby you gon be breath

if you don't start talkin' quick!

Woman I'm gon have a fit!

You don't know what you f**kin' with! Girl you better cut the bull shit!

Now it's obvious somebody has been all up in my home, in my bed

And plus I smell cigarettes";

Now I'm sniffin' and lookin around, suspicious like someone's here.

Then I look in her eyes and in her eyes there was so much fear

Pull out my gun, said, "Is he still here";

She shook her head and said, "No";

I'm checkin behind every door

She cried out, "He left right after you called

I said, "What the f**k was you thinkin' you thought that I wouldn't find this out";

And then I said, "You must be crazy, or on crack to have somebody off in my mother f**kin' ho

She hopped up and said, "That's enough";

She said, "I can't take no more";

And the she said, "You made your point, but now it's time to even the score";

She said, "I know all about last night";

"And where you went when you left the club";

Said, "That's right nigga I was there with this guy in the back of the club";

I said, "I thought you was with your girls";

She said, "I thought you was with your guys";

She said, "You was at that bitches house and don't you even try to act surprised";

I said, "babe...";

She said, "Shut up...don't you say a word";

"It ain't nothing you can say that I ain't already heard";

Then I said, "Woman don't you try to turn it all around";

"'cause the fact still remains that someone else was in my house";

Then she said, "Your right about that, something did go down,

but I don't have to turn it around, 'cause what goes around comes back around";

I'm movin a little closer to her

She's trippin' over the furniture

She said, "Wait first just let me explain";

I said, "No need to just give me his name";

And the she says, "Ahh...Ahh";

I say, "Ahh what?";

She says, "Please sit down in the chair";

And I say, "No I'm standing up";

And then she cries out, "I'm so scared to tell you, because of what you might do";

And I scream, "Look girl you better give me this mans name and I'm not playin' with you!";

She says, "OK";

Wipes her nose and then asks me about a girl name Tina

I thought to myself said, "Its sounds familiar";

Then said, "I'll probably know her if I seen her";

Then I said, "Anyway girl what the hell does that got to do with this man!?!";

She said, "He know my girl Roxanne";

I said, "Who the hell is Roxanne!?!";

Then she said, "Roxanne is a friend of mine who know this guy named Chuck";

"Chucks cool with this guy named Rufus";

And I'm sitting there like what the f**k

Then she says, "Rufus wife Cathy, we both went to high school";

"She introduced me to";

"The policeman that stopped you";
