

R. Kelly, Trapped In The Closet Chapter 10

Now the midget jumps outta the cabinet and stomps the policemen on his toe
The policemen hoppin around on 1 leg screamin "son of bitch" while he runs under the
He yells "freeze" dives over the table and lands on the midget...while the midget is kickin
real fast screamin out bridget,bridget ,
"She yells darlin don't hurt em'"
He says bridget get yo' ass back...then he continue to ruff up the midget as if the midget was under
Then bridget runs up to her room, goes in her purse and pulls a number out...
The police puts him on the table and yells "Man, what the hell you doin' in my house?!"
He whips cherry pie crust off his mouth and says man, i was paid not to tell you
Then the police pulls his gun out and yells trespassin man I got the right to shoot you..
The midget says mr. the man that pay me to this would kill me if i tell
He points the gun in his face, the midget say "god i think i just shited on myself"
Now at Sylvester's house Twon gotta patch on his shoulder playin cards gettin alone
There laughing and talking when Sylvester says Gwendolyn, baby, get the phone
Then she walks away from the table picks it up and say "hello" there's a lady on the oth
cryin and talkin all off the wall,
Gwen says wait slow down, who am i talkin tooo
"My names bridget and i found your number in my husband's pocket, I had to call you"
2mins later Gwen shakin her head sayin girl i understand, Sylvester says who is it baby?
She hangs up and gives him the address,
Now meanwhile back at the policemen house the midget cryin his ass off while he lyin threw his tee
to get lil ass told off,
Then bridget bust in the kitchen with a double barrow sayin "james i can't let you do this"
Then he looks at her and says what? you shoot me for this
fuckin midget she says "i love him"

Now bridget and james stairin each other down slowly backin apart..then the midget takes his inhaler
and says this is not good for my heart,
Then james says bridget don't make me do this baby put the gun down...thats when Sylvester and
busted up in the house... and says you put the gun down..whoo while Twon & Sylvester sniffe
'What's that smell?' As they turn and look at each other like, 'What the hell?'
