

R. Kelly, Trapped In The Closet Chapter 11

Now the midget began to wake up cause he fainted from all the maddest...he see 3 guns pointed at him with this...,then I said hold up you look familler..do I know you from somewhere?,then he says man "Then james says take a good look cause you might not ever see his face again..."

Twon says man what the hell is that smell? s-nnn...somebody then broke wind!and then bridget starts to work this out but first lets put the guns down...then bridget crys

"james first" then he said no you go!,then I say just do it the sametime and they both look at him. And then Twon says man let me shoot'em all, "and I said we can't do that" and beside man you just go back...then bridget says "I'll would drop the gun if he promise not to hurt "big man",then james says man! then Twon says man is that ya' name?he yells yea!we laught hot mess, then I say man why the hell? Then I start shakin my head put the gun down sayin this is to much for me!said I cant take no' more of this crazy...and then I say man I shouldn't never took my ass to the par'jays club...

Then big man says par'jays..I been there that probally where you know me from,then james says hold up your hand,then Sylvester says cool but first there just 1thing I gotta understand...james says "whaaat"?, then Sylvester says how do you know Chuck and Rufus?and police says spss..what you talkin bout? You said Chuck and Rufus..then bridget says "hun my stomach" then Twon says who the hell is james..I said Rufus, Chuck? then bridget says "ima bout throw-up-"

James says my wife is sick..Twon says "man don't believe that shit"... I said how did ya' wife get sick? He says she 3months pernacy!then we all said ooo shit!,

Then bridget says "honey thurrs something I have to tell ya",then james says no baby you can't say that james...then he says rest bridget while I get these fools up out my house...pointed the gun at him and said muthafucka you crazy..watch where you point that shit!...then bridget says "james" askin him is everything ok...and he says hell naw! he hangs up.. then big man says look man im just sayin I strip at this club called dixie and that is where I meet bridget...,Bridget says james he says no Twon whisper in my ear and says Sylvester let me do this nigga james...then Big man over hear us sayin cop...james movin closer to them with the gun..then bridget yellin stop,stop,stop and then she says get her off and says baby you don't have to say nothing...,then she says no "james I think you never said what was on my mind...I even follow you a few times...and when I say you with her you just what are you tryin tell me?..."not only im I sleepin with big man but hes my baby's daddy, is trippin...the midget is the baby's.....daddy....whoo
