

# R. Kelly, Trapped In The Closet Chapter 8

The policeman gets in his car  
And gets right on the phone  
Backing up, shaking his head saying  
"Let me get my crazy ass home";  
And his wife picks up and says  
"Darlin' where have you been,  
i've been worried about you";  
And he says "Police business, honey, I can't wait  
to tell you what I've been going through";  
She says "Are you okay?"; "Yes";  
"Do you need anything?"; "No";  
"Well, I baked you a pie"; "Mmm";  
"Your favorite: Cherry";  
Then he said "I'll be there soon.  
Sorry I kept you hanging";  
Then she said, "Honey, don't worry about it  
Just take your time, I still got some cleanin'";  
Now meanwhile Misses Roseys back at Gwen's house  
Tellin it all  
She said "I knew there was something about that policeman  
I started to cut lose my dog";  
Gwendolyn looks at her and laughs and says  
"Miss Rosey you are nuts";  
And i say "all I wanted to know  
was what was you gonna do with that spatula";  
And then we all laughed  
Tron says "shes a G no doubt";  
Now lets head right back on over  
To the policeman's house  
He pulls up in the garage  
She doesn't expect for him to come that soon  
She rushed to the door  
kisses him on the cheek and says "I was in the restroom";  
Then he said "Whatcha say that for?";  
And then she says "I don't know";  
Then he step back, look at her and says  
"Whatcha all jittery for?";  
Then she says "Sweetheart, maybe it's that time of the month";  
Then he says "Maybe? Maybe that time of the month?";  
And then shes says "You know what I mean";  
He says "I know what came out yo mouth";  
He said that "you said maybe  
Then she says baby,"; he walks in the house  
She tries to lead him upstairs  
But he goes straight to the kitchen  
She says "Hun, I bought you some pears";  
And then he said "I'ma heat this chicken";  
Then she turns around thinking to herself  
With this weird look on her face  
Then he screams "Woman, what wrong witchu,  
why are you walking back and forth, pacing?";  
Before she answers she's thinkin' to herself  
"What am I to say?";  
Because the truth of the matter is  
that she just slept with another man today  
And he started calling her name  
"Bridget, I know you her me";  
But she can't turn around  
Because the truth on her face  
He will see it  
Then he screams "Bridget";  
"Yes";"Look at me";  
Bridget turns around and then he says  
"Whatcha got up your sleeve?";

She's scared out of her mind  
Stuttering and shaking and  
still talking about some pears  
He starts screaming saying  
"Woman Im not going up no stairs"  
Now he's got a funny feeling  
Something just don't seem right  
He's looking at her while she's backing up  
Then he says "With all my might,  
Woman, I swear I'll shoot somebody  
if you been doing wrong"  
But little does he know  
somebody is still right there in his home
