

R. Kelly, World Christmas

Hearing the bells go ding - dong
Hearing the choirs sing songs
Letting us know its Christmas
time for the world to spread love.

I open my eyes
and to my surprise
I've come to realize that ...

(chorus)

All around the world is Christmas (3 x)
and I'm so glad to be
sharing peace and harmony with you.

Looking out of the window
seeing the winter white snow.

a kiss under the mistle toe

I see the angels halo

I open my eyes and to my surprise

I've come to realize that...

All around the world is christmas (3 x)
and i'm so glad to be
sharing peace and harmony with you.

(bridge)

So come on, come on
a child is born unto a sub king.

so, joy to the world

woman , man , boy , and girl

for it is love that this christmas brings

All around the world is christmas (3 x)

and I'm so glad to be
sharing peace and harmony with you.
