

R. Kelly, Your Body's Callin'- His & Hers F/ Aaliya

My body's callin' for you
Said your body's callin' for me
My body's callin' (for you)
Girl I know you want me
My body's callin' for you
Said your body's callin' for me
My body's callin'(for you)
Girl I know you want me

Verse 1

I can tell by the way you flex, that you're horny, hey
Ain't no sense in beatin' round the bush
Tell me you want me (you know you want it)
So stop stalling baby, c'mon in this room yeah
Close the door behind ya, mmm,
Lay your body right next to Mr. Bump n' grind ya, mm mm
Here I am, lookin at you from head to toe, mm
So don't you have no fear, listen, do you hear what I hear lady

Chorus

My body's callin' for you
Said your body's callin' for me
My body's callin' (for you)
Girl I know you want me
My body's callin' for you
Said your body's callin' for me
My body's callin' for you
Girl I know you want me

Aaliyah break it down

Verse 2

Boy my body's callin' you so do what you've gotta do (oh yeah)
Are you hungry (yes I'm hungry baby)
Do you wanna eat? (Oh)
I said my body's callin' for you (here I come runnin' to save you
So put this remix to ya ear and tell me, do you hear what I hear)

Chorus

My body's callin' for you
Said your body's callin' for me
My body's callin' (for you)
Girl I know you want me
My body's callin'for you
Said your body's callin' for me
My body's callin'for you

Say you want some R to the K to the E to the L-L to the Y

Here I come runnin' to save you
You cute little jazzy thang you
Said your body's calling me
Baby I can hear
(Your body's callin', distant lover I will be right here. So have no fear)
Have no fear, have no fear, no fear
(Your body's callin', distant lover I will be right here. So have no fear)
So don't you have no fear. Lady, I can hear your body callin
(Your body's callin', distant lover I will be right here. So have no fear)
Don't you have no fear, cause I'm gonna be right here

You see I'm wise enough to know when a body's callin' me, yes I am

So here I am to save you in your sexual time of need baby, whoo
So many miles away. Hear it mornin', noon or night or day yeah
Now here I am to satisfy your every little need, yeah
From 1 to 12 tell me what you want from me
Don't you hesitate baby, don't be afraid of me no
Because your wish, is my will
So speak now and tell the truth
Where is it mostly wet at baby?
And R. Kelly to the rescue

(spoken)

Yeah, as you can see I'm off on some sexual Shhhhhh
so give me a hug, c'mon give me hug
So what's up? Your man here or somethin?
Why you can't dance no closer than that?
Damn
