

# R-truth, Whats UP

[Intro: R-Truth]

Whassup?

Stand up and say whassup?

What's, up? {\*repeat 3X\*}

[Chorus]

People over there whassup?

If you feel me, stand up and say whassup?

Whassup? (Whassup?) Whassup? (Whassup?)

Whassup? (Whassup?) Whassup? (Whassup?)

You can get with this, or you can get with that

You better come get with this, cause this is where it's at

Whassup? (Whassup?) Whassup? (Whassup?)

Whassup? (Whassup?) Whassup? (Whassup?)

[Verse One]

I be skippin and jumpin and, leavin the competition

Makin 'em disappear like your favorite magician

I ride that {motherfucker} 'til the wheels fall off

And I bounce 'em back to back 'til they necks get soft

Most of the time you see me, I'm tryin to keep it simple

These are the type of people to get popped like a pimple

Statin my claim to fame

To be one of the baddest-ass {niggaz} to step foot in this game

And I haven't even started yet~!

But you can better believe I'ma yank it off a sure shot bet

Whassup? (Whassup?) Whassup? (Whassup?)

Whassup? (Whassup?) Say WHOA

[Chorus] - last "Whassup?" refrain + "WHOA!"

[Verse Two]

Steady stickin and movin like there's no time left

I did it before the fall and like I lost my breath

Baby that's what happens when you snooze you lose

Grip yo' fate when you breakin the rules

They tellin me Jack was nimble, they said he was quick

But I bet that {nigga} can't do the {shit} that I did

Rippin and runnin the tracks, can't believe yo' eyes

The most gifted, intelligent surprise

It ain't even time to give up

I gotta be on my J.O. out like...

Be givin the dap back so you better watch out

And tell that {bitch-ass nigga} keep my name out his mouth

[Chorus] - same as last time

[Verse Three]

I'ma keep on pumpin and stompin as I please

I know you see me comin movin like a stampede

Been known for bringin the drama just to {fuck shit} up

It's all because of the drama that enough's enough

Bringin the entertainment, slash, top billing

Suntan Superman, Ron Killings

I be trippin and takin the risks, goin against the grain

Them are the reason and the cause of why I'm insane

Definitely makin impressions, and leavin you standin and guessin

My tongue be goin off like a Smith and Wesson

I can really get posted up, make noise and that's a fact

You better get ready for me, cause IT BE LIKE THAT~!

[Chorus] - same as last time to fade
