

R5, Pass me by

Remember that trip we took in Mexico
Hangin' with the boys and all your senioritas
I never spoke up, yeah never said hello
But I keep on trying to find a way to meet ya?

I was chillin'
You were with him
Hooked up by the fire
Now he's long gone
And I'm like so long

Now I got my chance
Now I, now I got my chance

Like DAMN
You could be the one that could mess me up
You could be the one that'll break me me (Damn)
All them other girls said they had enough
You could be the one that'll take me
I was solo, living YOLO
'Til you blew my mind
Like DAMN
You could be the one that could mess me up
I can't let you, can't let you pass me by
Oh-oh, oh-oh, oh-oh
Can't let you pass me by
Oh-oh, oh-oh, oh-oh
Can't let you pass me by

I was tryna play too cool to get caught up
Like too fun, too young to fall to pieces
I know a girl like you can't ever get enough
So I'm addicted, trippin'
Tryna get you to see this

The way I need you
Like I'm see-through
Dancin' out my pants
Got you shookin'
Caught you lookin'?

Now I got my chance
Now I, now I got my chance

Like DAMN
You could be the one that could mess me up
You could be the one that'll break me me (Damn)
All them other girls said they had enough
You could be the one that'll take me
I was solo, living YOLO
'Til you blew my mind
Like DAMN
You could be the one that could mess me up
I can't let you, can't let you pass me by
Oh-oh, oh-oh, oh-oh
Can't let you pass me by
Oh-oh, oh-oh, oh-oh
Can't let you pass me by

Bridge
It's like everywhere I look
And everywhere I go
A million other guys keep staring
And I know that

I could be yours
And you could be mine
I just can't let you pass me by, by, by

Now I got my chance
Now I, now I got my chance

Like DAMN
You could be the one that could mess me up
You could be the one that'll break me me (Damn)
All them other girls said they had enough
You could be the one that'll take me
I was solo, living YOLO
'Til you blew my mind

Like DAMN
You could be the one that could mess me up
I can't let you, can't let you pass me by
Oh-oh, oh-oh, oh-oh
Can't let you pass me by
Oh-oh, oh-oh, oh-oh
Can't let you pass me by

I can't let you pass me by
