

# Ra Ra, 99.9% Sure

You dont know what you do to me  
You've changed around the scenery  
And now everything is new to me  
but it looks just right, yeah, it looks just right

Whoa it's strange but it's beautiful  
Yet I know where I am

(chorus)

I've never been here before,  
I've never been loved like this  
never been tumbling, stumblin over the words that get tangled inside of me  
I've never been moved this way  
nobody's ever made me say  
99.9% sure  
I've never been here before

I'm walking in a wonderland  
Gone ever since it all began  
And I don't even wanna understand  
'Cuz it feels that good, yeah it feels that good

Its a state that ain't on a map  
Yet I know where I'm at

(chorus)

99. 99. na na na na na na na  
99. 99. na na na na na na na

It's a state that ain't on a map  
Yet I know where I'm at

(chorus)

(chorus)

I've never been here before  
I've never been here before  
I've never been here before

99.9% sure,  
I've never been here before.
